MEMORANDUM FOR: Director for Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Director's Note Item

1. I'd like to put out a Notes From The Director that summarizes the President's remarks to the Agency. Only a few people actually heard them. I don't think we ought to give a verbatim transcript but hit the highlights, with perhaps a quote or two.

2. Another item for this same Notes From the Director might be a few comments about Agee--how we recognize how serious this is, and are encouraged by the fact that his latest antics have created a strong feeling throughout the country and in portions of the Congress that we must be able to take action against this kind of treason.

MEMORANDUM FOR:

STAT

FROM: DCI

It doesn't look to me like there is much danger of a problem on the first of September with an NSC meeting. Predictions are the President won't be back until the 2nd or 3rd. Let's hang in there and see, though. If I can get out of the speech, I'd be happy to get out of it.

Vice Admiral Monroe will be out of town all next week so I'll not have a tennis game on Tuesday or Friday, though on Friday please call Judge Webster and see if he'd like to stop by and play tennis and have breakfast on the way to the office any day next week except Monday. If he can't do it or if he'll only do it once (only ask him for once), try Bob McKinney also. Tell him I'm sorry I haven't been able to figure out a way to schedule an evening game with him but if he'd like a rematch in the morning and breakfast, I'd be delighted to try any day we don't have Webster ^{signed} ~~lined~~ up.

Will you phone me in Charlottesville on Friday and give me the office and home phone numbers of Mr. Bill George in Minneapolis.
